VERLAND

We are a nonprofit family of person-centered, community homes and supports serving more than 200 individuals of all ages from 6 through 70+, with intellectual disabilities, many of whom have serious physical challenges. In 32 community homes throughout the region, and at the 10-home main campus, Verland delivers a wide range of residential, medical, dental, educational, recreational, and therapy supports and programs.

Our professionally trained staff is dedicated to meeting the complex needs of the individuals we serve. They provide a full continuum of treatment and lifelong services in settings that provide comfort, safety, and a dignified lifestyle to this highly challenged population.

Your generous support of this event will help Verland to continue providing these vital services and programs for the many individuals who depend upon them.
